THE LAWN DILEMMA

The Marin Art and Garden Center is presenting a garden education class on "The Lawn Dilemma" on Saturday, Nov. 17, from 9:30am to 12:30pm at 30 Sir Francis Drake Blvd. in Ross. Roger Waters of Environments, who will discuss the pros and cons of keeping or adding a lawn to your garden, will provide the training. Participants will learn if a lawn is a good option and about lawn alternatives. Terri Fashing, the program manager for the Marin County Stormwater Pollution Prevention Program, will also make a presentation on "Making the Connection, Your Lawn, Your Watershed." Cost is \$10. No reservations are necessary.
