

Meeting Stormwater Inspection Requirements in Marin: Industrial and Commercial Facilities

MARIN COUNTY INSPECTOR'S WORKSHOP

Thursday, October 9, 2008 9:00 am - 12:10 pm

County Training Room

2 Jeannette Prandi Way, San Rafael, CA 94903

Sponsored by the MARIN COUNTY STORMWATER POLLUTION PREVENTION PROGRAM (MCSTOPPP)

RSVP to: Howard Bunce at 499-3748 or hbunce@co.marin.ca.us

Workshop Purpose

To review regulatory compliance for Municipal Stormwater Programs regarding Municipal and General Permits, what things to look for when conducting SW inspections at commercial and industrial facilities such as: Vehicle Service Facilities, Restaurants/Food Handling Facilities, Animal Care/Boarding (includes Dairies, Ranches, and Farms), Retail Stores with dumpsters or oil changing facilities, Golf Courses/Nurseries, Construction/Contractor and Building Companies, Industrial (includes Marinas, Warehouses, Outdoor Manufacturing, Transportation, and Landfills), and other businesses with the potential to impact stormwater. Other topics include the MCSTOPPP "Road Kits", the integral roles our partnering agencies play, the importance of interagency coordination, and when to call for additional enforcement.

Who Should Attend

County and Municipal Agency inspection staff and management.
